Broken, or damaged bar? LET US HELP!!!

Don't worry about where you are going to get another bar, or where you are

going to find the money to get a new one. Send us the damaged or broken bar you have, and let us

make them as good or better than new-GUARANTEED! We can save you money on your bottom line by re-heading your bars, and making them to your needs. Change insert styles, change insert location, it is all independent of the price, but will directly effect your profit for the positive.

Our cost to you.

1" Shank Diameter	\$133.05
3/4 Shank Diameter	\$96.50
5/8 Shank Diameter	\$88.40
1/2 Shank Diameter	\$83.40
3/8 Shank Diameter	\$78.50
